

APPENDIX B

*Associate in Arts to the Bachelor of Business Administration*

This program plan agreement is entered into by the Harper College Business faculty for the purpose of providing guaranteed admission to Harper College students into DePaul University, College of Business Management & Technology. Specifically, Harper College students who successfully complete the program into DePaul University, College of Business Management & Technology standards, will be granted admission to the Bachelor of Business Administration.

Harper College and DePaul University Faculty:

Harper College and DePaul University faculty will collaborate and coordinate on course content to provide the most efficient and effective learning experience for students who are required to complete the program plan.

Harper College faculty agree to assist and advise all Harper College students who are in the Associate in Arts who desire to continue their studies at DePaul University's Bachelor of Business Administration major in Management at DePaul University's Harold Stamps Center.

DePaul University faculty agree to accept course credit completed at Harper College in accordance with the mutually agreed upon program plan recommendations beginning in the summer of 2019. Harper College will provide the necessary support for the program plan.

Harper College and DePaul University faculty agree to review any changes to the program plan in keeping with current curriculum requirements.

The faculty will inform the other college's program when changes to the program plan requirements are made.

Harper College students who receive the notification of this agreement from both schools as to the transfer requirements will be held to the program plan requirements. The program plan must be followed for the Harper College Bachelor of Business Administration program. Harper College students who do not follow the program plan requirements will not be eligible for the DePaul University Bachelor of Business Administration program.

In order to retain current and dynamic curriculum, course content, course codes and descriptions are subject to change. Harper College and DePaul University faculty will be notified of any changes to the program plan requirements. Harper College students who do not follow the program plan requirements will not be eligible for the DePaul University Bachelor of Business Administration program. Students not participating in the program plan will not be eligible for the DePaul University Bachelor of Business Administration program. Harper College students who do not follow the program plan requirements will not be eligible for the DePaul University Bachelor of Business Administration program.
